

What an Edison Phonograph will do for you

Think what it means to have an instrument that will play equally well one of Harry Lauder's rollicking songs or a beautiful aria by Siezak, Martin or Constantino; that which will make you march, and that will play waltzes and two-steps in a way that will make you dance.

Think of an instrument which such a man as Victor Herbert selects from all others as the one to have his exclusive service and for which his own orchestra plays. That is the Edison Phonograph.

Then consider how small an amount of money will buy one—\$12.50 to \$200.00—and you will see why no one need be without an Edison Phonograph, just as no one would be who has ever really heard it.

Edison Phonographs . . . \$12.50 to \$200.00
Edison Standard Records35
Edison Amberol Records (play twice as long) . . .50
Edison Grand Opera Records . . .75c and \$1.00

There are Edison dealers everywhere. Go to the nearest and hear the Edison Phonograph play both Edison Standard and Amberol Records. Get complete catalogs from your dealer or from us.

Nations' Phonograph Co., 75 Lakeside Ave., Orange, N. J.

WITH THE EDISON BUSINESS PHONOGRAPH you dictate at your convenience, and the typewriting department does the rest.

GRAVEL BIDS

WILL BE CONSIDERED NEXT TUESDAY NIGHT.

Board of Public Works Will Encourage No Ponds Inside the City.

On account of the absence of Mr. F. E. Lack, a member of the board of public works, the special meeting set for last night to award the gravel contract for the coming year for the city, has been postponed until the regular meeting night, next Tuesday evening, at 7 o'clock at the city hall. Mr. Lack is in Chicago on private business and is expected home this week. On his return, an inspection of the three gravel pits outside the city will be made by the board, with a view to contracting for the best grade of gravel obtainable. The board will stand pat on its refusal to let the contract to any bidder having a pit inside the city limits, as it is against the ordinance. The three bids to be considered are those of Messrs. Richard Bell, Thomas H. Torian and A. W. Tate. Messrs. Bell and Torian sent in bids agreeing to deliver gravel to any part of the city for 85 cents per cubic yard, while Mr. Tate only bid to deliver gravel on the south side of the city for \$2 1/2 cents per cubic yard. The other bids received were from contractors having pits inside the city, but these will not be considered.

TEACHERS WILL MEET ON NEXT FRIDAY AFTERNOON.

The regular monthly meeting of the teachers of the public schools will be held Friday afternoon. The pupils will be dismissed at noon as usual. The Rev. Meyer Lovitch, rabbi of Temple Israel, will deliver an address before the teachers along educational lines. The feature of having some speaker address the teachers has proved beneficial this year. The teachers of the fourth grade met this afternoon at 4 o'clock for the purpose of outlining the work of that grade.

S.S.S. PURELY VEGETABLE

The safest medicines are those which leave the system in the best condition after their use. This is one of the principal virtues we claim for S.S.S. Being made entirely of roots, herbs and barks, it is not in even the smallest degree harmful to any system, but on the other hand its vegetable ingredients make it one of the finest of tonics to build up the health in every way. A great many blood medicines contain strong mineral ingredients which unfavorably affect the bowels, stomach or digestive system, and any blood-purifying effect they might have is therefore offset by their injurious action on the general health. S.S.S. is the one safe and sure blood purifier. It goes into the circulation and rids the blood of every impurity or pollution. It strengthens the circulation and adds nourishing properties to the blood and greatly assists in the cure of any blood disease. S.S.S. cures Rheumatism, Catarrh, Sores and Ulcers, Scrofula, Contagious Blood Poison and all like diseases, because it purifies the circulation. S.S.S. may be taken by young or old with absolute safety, and with the assurance that it will cure all diseases and disorders due to an impure or poisoned blood supply, even reaching down and removing hereditary taints. Book on the blood and any medical advice free to all who write.

FATHER JANSEN HIS SCHOOLMATE

NEW BISHOP OF LOUISVILLE IS WELL KNOWN.

Enthronement Ceremony Interesting the Clergy of This Diocese.

FIFTH IN THE SUCCESSION.

Louisville, Ky., Feb. 10.—The Rt. Rev. Bishop Denis O'Donoghue, who has been appointed the fifth bishop of Louisville, was born on a farm in Daviess county, Ind., November 30, 1848. He studied one year at St. Melard's college, Spencer county, Ind., then at St. Thomas seminary, at Bardonia, Ky., until 1871, and completed his theological studies at the seminary of St. Sulpice, Montreal, Canada. He was ordained to the priesthood in Indianapolis, September 6, 1874, and immediately thereafter entered upon the duties of assistant at St. John's church, that city. When Francis Silas Chastard went to Indianapolis in August, 1878, as bishop of the Vincennes, afterward the diocese of Indianapolis, he made the Rev. Denis O'Donoghue chancellor of the diocese. He was sent from St. John's to the parish of St. Patrick, February 22, 1885.

In March, 1899, he was made vicar general of the diocese. He was consecrated auxiliary bishop of the diocese of Indianapolis with the title of Bishop of Pomarico, April 25, 1900. Since February, 1885, his residence has been at the priest's house of St. Patrick's parish, Indianapolis.

The new bishop of Louisville has the reputation of being a fine business man as well as a scholar. As his name indicates, he is of Irish origin, and is one of the most lovable men connected with the Catholic church in the Indianapolis diocese. He takes a lively interest in civic affairs and is one of the most companionable of men, very democratic in his ways and easy of approach.

Diocese of Louisville.

The diocese of Indianapolis was at one time a part of the diocese of Bardonia, this see having been changed to Louisville in 1841. Long before the first bishop of Louisville, Benedict Joseph Flaget, presided as bishop at Bardonia he was a missionary priest at Vincennes in 1789. The diocese of Louisville was created in 1810, and the diocese of Vincennes, now Indianapolis, was not created until 1834. The Louisville diocese formerly included all the territory in the northwest, as well as Tennessee and Kentucky. Bishop Flaget had been professor in Georgetown college, near Washington City, and on two occasions before becoming the bishop of Bardonia, had the pleasure and honor of shaking hands with George Washington, first when the faculty of his college called upon the president, and afterward when the president returned the call to the college. To be the successor of a man like Bishop Flaget and his eminent successor, Archbishop Martin John Spalding, would be esteemed a high honor by any one of the Catholic clergy and archdiocese.

Enthronement Services. Much interest attaches to the consecration and enthronement of Bishop O'Donoghue. He may be consecrated either in this city or in Indianapolis, the date being left entirely with the bishop himself. The enthronement will be in this city, probably at the Cathedral of the Assumption. The date of this ceremony will also be determined by the bishop. As there is nothing in the condition of the Louisville diocese to warrant special haste, it is not likely that the enthronement will take place until after Lent.

This will be the occasion of a great demonstration, in which the clergy and the laity of the Catholic church in the Louisville diocese will participate. The program of the exercise incident to the enthronement of Bishop O'Donoghue will be made up very carefully, but it is not likely to be announced for several weeks.

Fifth Bishop of Louisville. Bishop O'Donoghue is the fifth bishop of the Louisville diocese. The diocese was established at Bardonia on April 8, 1808, and transferred to this city in 1841. The first bishop was the Rt. Rev. Benedict Joseph Flaget. The next was the Rt. Rev. Martin John Spalding, who was consecrated and enthroned in 1848. He became archbishop of Baltimore in 1854. The next bishop was the Rt. Rev. Peter J. Lavallee, who was consecrated on September 24, 1866. He was succeeded by the Rt. Rev. William George McCloskey on May 24, 1868, who served as bishop until his death, September 17, 1909.

Father Jansen a Schoolmate. The Rev. W. H. Jansen, pastor of St. Bridget's church, and formerly of Paducah, attended school with Bishop O'Donoghue at St. Joseph's in 1871-72. Father Jansen says that even at that early day the future bishop was distinguished by his lofty qualities and his unusual mental attainments. He was a profound student, and always distinguished himself in his classes.

More than two thousand million dollars' worth of mineral oil has been exported from the United States since that product began to be an article of exportation, less than half a century ago.

Are You a Woman?

You Need a Tonic

Weak women need a tonic, to build up their constitution. All women feel weak, at times, and then they need a tonic worse than those who are always weak.

If you decide to take a tonic, why not take a woman's tonic—the woman's tonic, CARDUI?

Half a century of success behind it, proves that Cardui has merit, for it is only medicines of merit that "stick"—that sell for years, after the meritless medicines are forgotten.

Naturally, the Cardui success is attested by thousands of women who have tried it—who write us, giving us permission to publish their letters if we wish, for the sake of their suffering sisters, whom they pity and wish to benefit.

So, we gladly print this letter from Mrs. Lizzie Dodson, of Boss, Mo., to show those ladies who doubt, that what we claim is true. Mrs. Dodson writes:

"I just want to say that your Cardui is the best medicine in the world. Last winter I wasn't able to do my work for 5 weeks. I couldn't stand on my feet but a short time, I had such bearing down misery. One day I got my husband to buy me a bottle of Cardui, and by night I felt like a different woman. I have now been taking Cardui for four months and cannot praise it too highly for the good it has done me."

Cardui, the woman's tonic, is a safe, harmless, vegetable extract, and should be taken by all women, young and old. Try it. It will help you.

Joe Will Tyson,
Jackson, Tenn., Feb. 10.—A large number of friends attended the funeral of Joe Will Tyson, which occurred Tuesday afternoon. Mr. Tyson was for many years an employee of the Illinois Central railroad and worked as baggage man between here and Cairo. He leaves a family consisting of a wife and several children and innumerable friends who mourn his loss.

PRESCRIBED BY DOCTORS.
Lydia E. Pinkham's Vegetable Compound, an honest, tried and true remedy for feminine ills, holds the record for the largest number of actual cures of any similar remedy, and is prescribed and recommended by hundreds of fair-minded doctors who do not fear to recommend a worthy medicine even though it is advertised.

Commission Gives Out All Racing Dates.

Frankfort, Ky., Feb. 10.—All is serene between the race track and the racing commission, for the commission in this city allotted the following dates:
Lexington, April 30 to May 7.
Louisville, May 10 to June 4.
Lafayette, June 6 to July 9.
The Kentucky derby will be run May 10.

Why does a cat rest better in summer?—Because summer brings a cat-a-pillow.

HIGH SCHOOL

WILL GREET VISITORS WITH HOSPITALITY.

Many Rooters Will Accompany the Oratorical Champions to This City.

High school students are preparing for an enthusiastic reception for the orators at the oratorical contest between the High schools of western Kentucky February 25. The students are practicing yells and the enthusiasm will run high. Nearly every school will send a bunch of rooters to pull for their representative. As is the custom the rooters will be grouped and the yells will be turned loose.

The judges have not been selected for the contest, but will be soon. Prominent men of western Kentucky will be asked to preside and award the medal to the best orator.

LaGrippe pains that pervade the entire system, LaGrippe coughs that rack and strain, are quickly cured by Foley's Honey and Tar. Is mildly laxative, safe and certain in results. —Gilbert's Drug Store.

ANTI-SALOON PEOPLE MEET.

Propagation of Movement in Kentucky Discussed.

Frankfort, Ky., Feb. 9.—The attendance was slim when the second day's session of the Kentucky Anti-Saloon league began. Nevertheless, interest in the convention was great on account of impending discussion over propagation of the prohibition movement in Kentucky with its great distilling interests.

National Superintendent Baker, of the Anti-Saloon league, did not appear, having been called to Washington to attend a hearing of a temperance bill before a congressional committee.

Appointment of committees and officers' reports occupied the morning, while in the afternoon a recess was taken to visit the sessions of the general assembly.

The Evening Sun's Daily Markets.

Stock Market.

Louisville, Feb. 10.—There were only 1,293 hogs on sale, making a total of 3,766 for the three days this week, as against 3,750 for the same days last week, 6,173 for the same days last year and 10,489 for a corresponding period two years ago. A good local and shipping demand caused a scramble for the good hogs, and as a result prices were boosted 10¢ to 20¢ in spite of the fact that other markets were steady to lower. Selected hogs, 165 pounds and up, hit the high mark of \$8.90; 120 to 165 pounds, \$8.00; pigs ranged from \$7.50 for light pigs to \$8.30 for heavy pigs, and roughs sold at \$8.20 down. The pens were well cleared, but market closed barely steady.

The exceptionally light run of 18 head of cattle made the total for three days this week 1,134 head. About the usual mid-week attendance of buyers showed up, and the market ruled firm on all kinds of cattle. Desirable butcher stock met with ready sale and fully steady to strong, the feeder and stocker market was nominally steady, bulls firm, canners steady to strong, milch cows unchanged. No heavy cattle here. Had there been, they would have sold steady. The pens were cleared early in the day and market closed strong.

Calves—Receipts, 134; for the three days, 331. The market ruled firm and higher. Selected veals, 8 1/4 @ 8 1/2 c. Medium and common calves slow and unchanged.

Sheep and Lambs—Receipts very light, only 4 head; for the three days, only 54 or, as a prominent sheep salesman said, "Not enough to make a fuss over." The market was quiet and featureless. Best sheep quoted at 3 1/2 @ 4 1/4 c; best lambs, 5 1/4 @ 6 1/4 c. Common stock slow.

St. Louis, Feb. 10.—Cattle—Receipts 2,500, including 100 Texans; market steady to strong; native beef steers, \$4.25 @ 7.60; cows and heifers, \$3.40 @ 5.80; stockers and feeders, \$3.50 @ 5.10; Texas and Indian steers, \$4.50 @ 5.40; cows and heifers, \$3.25 @ 4.50; calves in carloads, \$7.25 @

\$7.75. Hogs—Receipts 6,500; market steady; pigs and lights, \$6.75 @ \$7.00; packers, \$8.50 @ \$8.75; butchers and best heavy, \$8.60 @ \$8.80. Sheep—Receipts 1,000; market steady; native muttons, \$4.75 @ 5.90; lambs, \$7 @ 8.60.

Tobacco Market.
Louisville, Feb. 10.—The offerings on the local breaks follow:
Burley, 624; dark, 201; original inspection, 711; reviews, 84; total, 825. Bids—5. First sale at the People's house.

The Louisville warehouse sold 12 hogheads of burley at \$9.90 to \$14.25 and 13 hogheads of dark at \$4.25 to \$5.70.

The People's warehouse sold 25 hogheads of burley at \$10.50 to \$15.50 and 6 hogheads of dark at \$5.25 to \$9.20.

The Dark warehouse sold 84 hogheads of dark at \$4.25 to \$11.75.

The Planters' warehouse sold 40 hogheads of burley at \$11.50 to \$19 and 12 hogheads of dark at \$6.60 to \$10.50.

The Farmers' warehouse sold 120 hogheads of burley at \$9.90 to \$21. The Home warehouse sold 40 hogheads of burley at \$8.90 to \$16.75.

The Pickett warehouse sold 100 hogheads of burley at \$9 to \$17.50 and 11 hogheads of dark at \$5.50 to \$10.75.

Hopkinsville, Ky., Feb. 10.—With light offerings amounting to 40,000 pounds feverish condition of the tobacco market continued with all prices showing upward tendency. Demand seems unsteady and prices ranged \$5 to \$12.50. No hoghead sales reported.

"You seem to have gotten your boys interested in mythology; very nicely."

"Yes, I explained to them that Hercules held a championship."

Washington Herald.
A multitude of snatches follows in the wake of a courtship.

People Will Talk You Know

And that's the reason why Dr. Pierce's Family Medicines are advertised so little now-a-days. They have made hundreds of thousands of cures in the past 40 years, and some of the grateful people whom they have restored to health are to be found almost everywhere. There's scarcely a hamlet that don't contain some. Look them up. Interview them. They are living, walking, active advertisements.

For Dr. Pierce's Family Medicines.

You can believe your neighbors. Therefore ask them. What cured them will very likely cure you, if similarly afflicted—only give them a good, fair trial.

It's a good, sound, common sense policy to use medicines only of KNOWN COMPOSITION, and which contain neither alcohol nor habit-forming drugs. The most intelligent people, and many of the most successful, conscientious physicians, follow this judicious course of action. The leading medical authorities, of all schools of medicine, endorse the ingredients composing Dr. Pierce's medicines. These are plainly printed on wrappers and attested under oath. There's no secrecy; an open publicity, square-deal policy is followed by the makers.

We have a profound desire to avoid all offense to the most delicate sensitiveness of modest women, for whom we entertain the most sincere respect and admiration. We shall not, therefore, particularize here concerning the symptoms and peculiar ailments incident to the sex for which Dr. Pierce's Favorite Prescription has for more than 40 years proven such a boon. We cannot, however, do a better service to the afflicted of the gentler sex than to refer them to Dr. Pierce's Common Sense Medical Adviser, a great family doctor book of 1000 pages, bound in cloth and given away gratis, or sent, post-paid, on receipt of 31 one-cent stamps—to cover cost of mailing only, or 21 cents for paper covered book. All the delicate ailments and matters about which every woman, whether young or old, single or married, should know, but which their sense of delicacy makes them hesitate to ask even the family physician about, are made plain in this great book. Write for it. Address: WORLD'S DISPENSARY MEDICAL ASSOCIATION, R. V. Pierce, M. D., Pres., 663 Main Street, Little Rock, Ark., U. S. A.

INVALIDS' HOTEL and SURGICAL INSTITUTE, BUFFALO, N. Y.

A model Sanitarium with every equipment and appliance and a complete staff of experienced and skilled Specialists for the treatment of the most difficult cases of Chronic ailments whether requiring Medical or Surgical treatment for their cure. Send two stamps to above address for THE INVALIDS' GUIDE BOOK.
